

I remember when I was about 7 years old me, my mum and my dad all went to the grand opening of the Think Tank at Millennium Point. I fell over and needed a cuddle but my mum was busy talking to one of her friends and didn't notice so I went to find my dad for a hug. I walked over to the man who I thought was my dad hugged him and said "I didn't think you were wearing that jacket when we left the house". The man looked down at me and laughed and I looked up and it wasn't my dad but a man he was talking to. My dad laughed and gave me a hug.
