## Youth Orchestra

2008-2009 season

Concerts at Symphony Hall

Sunday 22 February 2009, 7pm

Ravel: *Daphnis et Chloé* - Suite No. 2

Ravel: *Shéhérazade*

Mussorgsky (orch. Ravel): *Pictures at an Exhibition*

Andris Nelsons demonstrates his commitment to Birmingham's young musicians in this, his debut appearance with the CBSO's acclaimed Youth Orchestra. And it's all about colour. Whether in the gorgeous oriental fantasies of Ravel's impressionist song-cycle *Shéhérazade*, the brilliant sunrise that opens his *Daphnis and Chloé* suite or the glittering Russian jewel-box of Mussorgsky's *Pictures at an Exhibition*, this is a programme to dazzle the ears. Expect our superb young players to give it their all, as Andris Nelsons celebrates the start of what we hope will be a very special relationship.

“A feisty performance from these excellent young players.”
