Results collection

If you know that you will not be able to collect your results in person. Please let Mrs Simmonite know (l.simmonite@kechg.org.uk). You can:

- a) Ask for your grades to be posted; please note that this may significantly reduce the time to make an appeal should the need arise. If this is the chosen option, please provide a stamped addressed envelope.
- b) Ask for your grades to be emailed; these will be sent to your school email addresses by 9.30 a.m. on the relevant day.

The results for students who do not collect in person, and who have not made any other prior arrangements, will be scanned and sent to your school email addresses at 4 p.m.
