What is special consideration?

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control **at the time of the assessment**. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can only go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their assessments. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for a qualification or a unitised examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the qualification. (JCQ's **A guide to the special consideration process**, section 1)

This publication is further referred to in this policy as [SC](#)

Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that King Edward VI Camp Hill School for Girls will *“submit any applications for special consideration where candidates meet the published criteria.”*

[JCQ [General regulations for approved centres](#) section 5.9]

Applying for special consideration

Where eligible, special consideration will be applied for at the time of the assessment where candidates have been fully prepared and have covered the whole course but performance in the examination, or in the production of controlled assessment, coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control.” [\[SC 2\]](#)

For candidates who are present for the assessment but disadvantaged King Edward VI Camp Hill School for Girls must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment. ([SC](#), section 3)

If a candidate is absent for acceptable reasons, and the centre is prepared to support an application for special consideration, special consideration will be applied for if the exam missed is in the terminal series and the *minimum requirements for enhanced grading in cases of acceptable absence* can be met.

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in [SC 5](#) and applied for where eligible. This might include, for example:

- coursework/non-examination assessment extensions
- shortfall in work (coursework/non-examination assessment)
- lost or damaged work (non-examination assessment components)
- candidates taking an incorrect or defective question paper
- candidates undertaking the wrong controlled assessment or non-examination assessment assignment

Submitting applications for special consideration

Where a candidate or group of candidates is/are eligible for special consideration, applications will be submitted to the relevant awarding body following the published processes in [SC](#).

In cases of online applications for special consideration, the candidate/candidates will be informed when an application for special consideration is submitted to the awarding body (to ensure compliance with the UK GDPR/Data Protection Act 2018).

Evidence to support applications will be kept on file until after the publication of results.

Timetabled written exams

- For GCE and GCSE qualifications, applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration
- The processes for submitting a single application to cover all exams affected *where a candidate is present but disadvantaged* and a separate application for each day on which exams are missed *where a candidate is absent from an examination for an acceptable reason* detailed in [SC 6](#) will be followed
- **Form 10 Application for special consideration** will only be completed and submitted to the awarding body where the online system does not accept applications for a particular qualification
- For cases involving groups of candidates, applications will be made online where the awarding body's secure system accepts group applications or form 10 will be completed
- **Form 14 Self certification form** (Self certification for candidates who have missed an examination) will only be completed by a candidate where circumstances warrant this and will not be used where the centre knows the candidate was ill

Internally assessed work

- Where appropriate, applications will be made online where the awarding body's secure system accepts them or form 10 will be completed and submitted to the awarding body
- Where a short extension to a work submission deadline for an individual candidate is being requested, the awarding body will be contacted directly
- Where an application relates to a shortfall in work for an individual candidate, this will be submitted online or by completing form 10, dependent on the awarding body

Private candidates

- Any private candidate entered by the centre must liaise with the exams officer (not the awarding body) regarding any application for special consideration

Late applications

- If, after the publication of results for a particular exam series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a member of the senior leadership team is able to produce compelling evidence to support a late application.
- If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
