

KING EDWARD VI CAMP HILL SCHOOL FOR GIRLS CO-CURRICULAR PROGRAMME

KING EDWARD VI
CAMP HILL
SCHOOL FOR GIRLS

We offer a busy programme of clubs and societies across the school week. Activities are divided into different areas: Academic Enrichment and Clubs/Societies, Music, Performing Arts (Drama and Dance) and Sport, Health and Fitness. We encourage students to join clubs and societies throughout the year.

Should you have any questions regarding our co-curricular clubs and activities, please contact Mrs J Neal, Deputy Headteacher (Curriculum) at enquiries@chg.kevibham.org

STUDENTS: WHY SHOULD YOU GET INVOLVED?

At Camp Hill Girls, everyone works hard but we also very much appreciate opportunities to be creative, to be active and to learn beyond the classroom. If you want to learn Ancient Greek, learn to cross stitch, play rounders or sing along in a Show Choir - you can! Check out our super programme of activities and try your hand at something new.

Participation in activities beyond the classroom develops confidence as well as giving your new skills. You'll get to know new people, make friends and create lasting memories of your Camp Hill years. It's also really beneficial to your sense of wellbeing: a lunchtime sports activity or the chance to sing or dance in amidst the school day can really help you relax after a busy morning of lessons. Or, if you fancy something more chilled, pop along to the Pot Plant Club or Science Club.

There are also 'drop in' sessions run by departments mainly for KS4 & KS5 students. So if you want to get help with an English essay, or you're bamboozled by something in Biology, head along to the drop-ins where help is at hand!

'Always work hard and have fun in what you do because I think that's when you're more successful. You have to choose to do it.' (Simone Biles, Olympic Gymnast)

WHAT'S ON OFFER AT CHG?

Below is a list of clubs and societies that are available this term. This list is not exhaustive.

AFRO-CARRIBBEAN SOCIETY

FOR MEMBERS AND ALLIES OF THE AFRO CARIBBEAN COMMUNITY TO LEARN ABOUT THEIR CULTURE AND EACH OTHER.

BADMINTON KS4

THIS IS FOR THE STUDENTS IN KS4 WHO WISH TO COME AND PLAY BADMINTON IN THEIR LUNCH TIME.

20 th October	Y11,Y13	Goethe Institute Visit	German
22 nd October	ALL	Open Evening	ALL

ENRICHMENT WEEK

Enrichment week has been an annual event for several years at Camp Hill Girls. Below are some of the key trips, activities and events students have taken part in previously. Enrichment Week will take place Mon 21st- Fri 25th June 2027.

KEY STAGE 3

In Year 7 students take part in STEAM, creative writing and Art workshops. They also have the opportunity to attend a residential trip with their peers. The purpose of the visit is to enable students to work on a variety of cross curricular group and teamwork activities all based at Condover Hall, Shropshire. At Condover Hall, fully trained and qualified instructors, with the support of school staff, provide instruction in a full programme of activities in a safe, controlled and secure environment. Students can also take part in the Bikeability scheme throughout the week.

In Year 8 there is a trip to Dovedale to work on their team work and explore the outdoors. Students will also have the opportunity to attend creative writing classes, enjoy a murder mystery activity and participate in a Drama Workshop. In 2026, we are excited to announce our inaugural Big Camp Hill Camp Out for Year 8 students! More details of this to follow soon.

Year 9 students take part in a range of activities throughout the week involving fashion design, the challenge carousel and an amazing opportunity to visit Oxford. Whilst in Oxford students will attend the Pitts River Museum, National History Museum and Keble College's Open Day. Later in the week students will add another fascinating visit to their repertoire with a trip to the National Memorial Arboretum.

KEY STAGE 4

Year 10 students will take part in a range of activities and experiences throughout their Enrichment Week. Starting with Careers Interviews, students will gain the experience of a real-life interview, helping them to refine their communication skills. Students will also visit Aston University, where they will receive information on the benefits and barriers to Higher Education, along with a tour of the university campus.

During the week, there will be a “pick and mix” day where students can choose three sessions that interest them (ideally something they haven’t tried before) such as musical theatre, jewellery making, and crochet.

A highlight of Year 10’s Enrichment Week will be the organisation and hosting of the popular “Senior Citizens’ Party.” This event involves inviting members of the local community into school for a celebration. Students will take the lead in planning and organising the party.

The week will culminate in a visit to Drayton Manor, a perfect opportunity to conquer fears, relax with peers, and enjoy a well-deserved, thrill-seeking adventure.

KEY STAGE 5

Year 12 students will have the opportunity to take part in a week of work experience during Enrichment Week.

There will be workshops available in school for students who need support with their UCAS personal statements. These sessions will be run and supported by experienced members of staff.

Students will also have the opportunity to assist with the setup and running of Sports Day, as well as other workshops for Key Stage 3 and Key Stage 4. These activities will allow them to demonstrate and develop their leadership skills.
