

KING EDWARD VI CAMP HILL SCHOOL FOR GIRLS CO-CURRICULAR PROGRAMME

**KING EDWARD VI
CAMP HILL
SCHOOL FOR GIRLS**

Educational excellence for our City

We offer a busy programme of clubs and societies across the school week. Activities are divided into different areas: Academic Enrichment and Clubs/Societies, Music, Performing Arts (Drama and Dance) and Sport, Health and Fitness. We encourage students to join clubs and societies throughout the year which they can do easily through Edulink.

Should you have any questions regarding our co-curricular clubs and activities, please contact Mrs J Neal, Deputy Headteacher (Curriculum) at head@kechg.org.uk.

STUDENTS: WHY SHOULD YOU GET INVOLVED?

At Camp Hill Girls, everyone works hard but we also very much appreciate opportunities to be creative, to be active and to learn beyond the classroom. If you want to know how to embroider, learn Ancient Greek, build with Lego, play netball or sing along in a Show Choir - you can! Check out our super programme of activities and try your hand at something new.

Participation in activities beyond the classroom develops confidence as well as giving your new skills. You'll get to know new people, make friends and create lasting memories of your Camp Hill years. It's also really beneficial to your sense of wellbeing: a lunchtime sports activity or the chance to sing or dance in amidst the school day can really help you relax after a busy morning of lessons. Or, if you fancy something more chilled, pop along to the Zen Den or our Calm Space in the CSG Room, available every lunchtime.

There are also 'drop in' sessions run by departments mainly for KS4 & KS5 students. So if you want to get help with an English essay, or you're bamboozled by something in Biology, head along to the drop-ins where help is at hand!

'Always work hard and have fun in what you do because I think that's when you're more successful. You have to choose to do it.' (Simone Biles, Olympic Gymnast)

WHAT'S ON OFFER AT CHG?

Below is a list of clubs and societies that are available in the Spring term. This list is not exhaustive. Students can sign up on Edulink or in person.

AFRO CARRIBBEAN SOCIETY

SHARING INFORMATION AND EXPERIENCES BETWEEN MEMBERS OF THE AFRO CARIBBEAN COMMUNITY AND THEIR ALLIES. EVERYONE IS WELCOME!

AMNESTY INTERNATIONAL SOCIETY

A CLUB FOR PUPILS TO DISCUSS, DEBATE AND PRESENT ISSUES FROM CURRENT WORLD AFFAIRS RELATING TO HUMAN RIGHTS AND ISSUES.

ART CLUB

DRAWING, PAINTING, CLAY SCULPTURE ON THE THEME OF 'COEXISTENCE - HUMANS AND ANIMALS LIVING IN HARMONY'

ENRICHMENT WEEK 2025

Enrichment Week takes place annually at Camp Hill School for Girls. This year it is scheduled to run from **Tuesday 24th to Friday 27th June 2025**. (Sports Day, weather-dependent, is set to take place on Monday 23rd June 2025. During Enrichment Week, students enjoy an amazing and varied programme of enrichment and extracurricular activities, aimed at encouraging personal skills away from the classroom.

ENRICHMENT WEEK PLAN

	Year 7	Year 8	Year 9	Year 10	Year 12
Mon 23rd June	Sports Day	Sports Day	Sports Day	Sports Day	Sports Day
Tues 24th June	STEAM Workshop	Dovedale OR Creative Writing & Murder Mystery Activities	Paper Challenge & The Challenge Carousel	Pick & Mix Activity Day: Self Defence, Willow Weaving, Crocheting, Food Prep, Escape Room, Flower Arranging OR Amsterdam Trip	Work Experience

Thur 26th June	Conover Residential Trip	Dovedale OR Creative Writing & Murder Mystery Activities	Forensic Whodunnit, First Aid OR Cotswold Animal Park	Drayton Manor	Work Experience
Fri 27th June	Conover Residential Trip	Shakespeare Workshop	National Memorial Arboretum OR Cotswold Animal Park	Career & Life Skills, Careers Interviews, Aston University, Lloyds Bank OR Berlin Trip	Work Experience OR Ackers Activity Day

PREVIOUS ENRICHMENT WEEKS

Enrichment week has been an annual event for several years at Camp Hill Girls. Below are some of the key trips, activities and events students have taken part in previously.

KEY STAGE 3

In Year 7 students take part in STEAM, creative writing and Art workshops. They also have the opportunity to attend a residential trip with their peers. The purpose of the visit is to enable students to work on a variety of cross curricular group and teamwork activities all based at Condover Hall, Shropshire. At Condover Hall, fully trained and qualified instructors, with the support of school staff, provide instruction in a full programme of activities in a safe, controlled and secure environment. Students can also take part in the Bikeability scheme throughout the week.

In Year 8 there is daily activities to Dovedale to work on their team work and explore the outdoors. Students will also have the opportunity to attend creative writing classes, enjoy a murder mystery activity and attend an Apprenticeship lecture from our very own staff, to inspire and educate students on future careers, opportunities and pathways.

Year 9 students take part in a range of activities throughout the week involving fashion design, the challenge carousel and an amazing opportunity to visit Oxford. Whilst in Oxford students will attend the Pitts River Museum, National History Museum and Keble College's Open Day. Later in the week students will add another fascinating museum to their repertoire with a trip to the National Memorial Arboretum.

KEY STAGE 4

Year 10 students will take part in a range of activities and experiences throughout their enrichment week. Starting with Careers Interviews, this will give students the experience of a real life interview, helping them perfect their communication skills. Students will attend Aston University with information on benefits and barriers to Higher Education and a tour of the University campus.

During the week there is a “pick and mix” day where students will have the choice to choose three sessions that they find interesting, ranging from musical theatre to willow weaving.

An exciting part of Year 10's enrichment week will be the organisation and running of the successful “Senior Citizen’s Party”. This involves inviting some of our local community into school and hosting a party. Students will be at the forefront of the planning and organisation of this event.

Finishing off the fulfilled week with an opportunity to visit Drayton Manor, a way to fight fears, enjoy some down time with peers and enjoy a well deserved, thrill seeking adventure.

KEY STAGE 5

Year 12 students will have the opportunity to take part in a week of Work Experience during Enrichment Week.

There will be workshops available in school for students who need support with their UCAS personal statements. These will be run in school and supported by members of staff, with years of experience.

Students will also have the opportunity to support the running and set up of Sports Day and other workshops for Key Stage 3 and Key Stage 4.

In 2024 the opportunity to attend an Ackers (dry ski slope) session for the day was also available.
