Dear Parents & Carers,

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching them about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our young people.

We are committed to protecting our students online by working with a company called **National Online Safety**, to provide resources for all parents and carers. You can find links to National Online Safety, on the school website in the **'Parents and Students'** section.

They provide a wealth of resources, including Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics, including:
